Shape Tracing Worksheets

Tracing develops fine motor skills and prepares students for writing.

These worksheets include the shapes in large to small progression for tracing.

Shapes included – Seven Worksheets

- Square
- Triangle
- Circle
- Star
- Diamond
- Pentagon
- Rectangle

Students will also trace the name of the shape at the bottom of the worksheet. Once all shapes are traced, students can color the shapes.

You can use this as another lesson to direct students to color shapes largest to smallest or smallest to largest.
