

# What Teachers Do

## DLM

**Teachers help people learn.**

**Teachers help young boys and girls learn to read.**

**Teachers teach busy teenagers math.**

**Teachers even teach adults to be teachers.**

**Teachers can work at large universities.**

**Teachers can work in small classrooms.**

**Some teachers even teach students at home!**

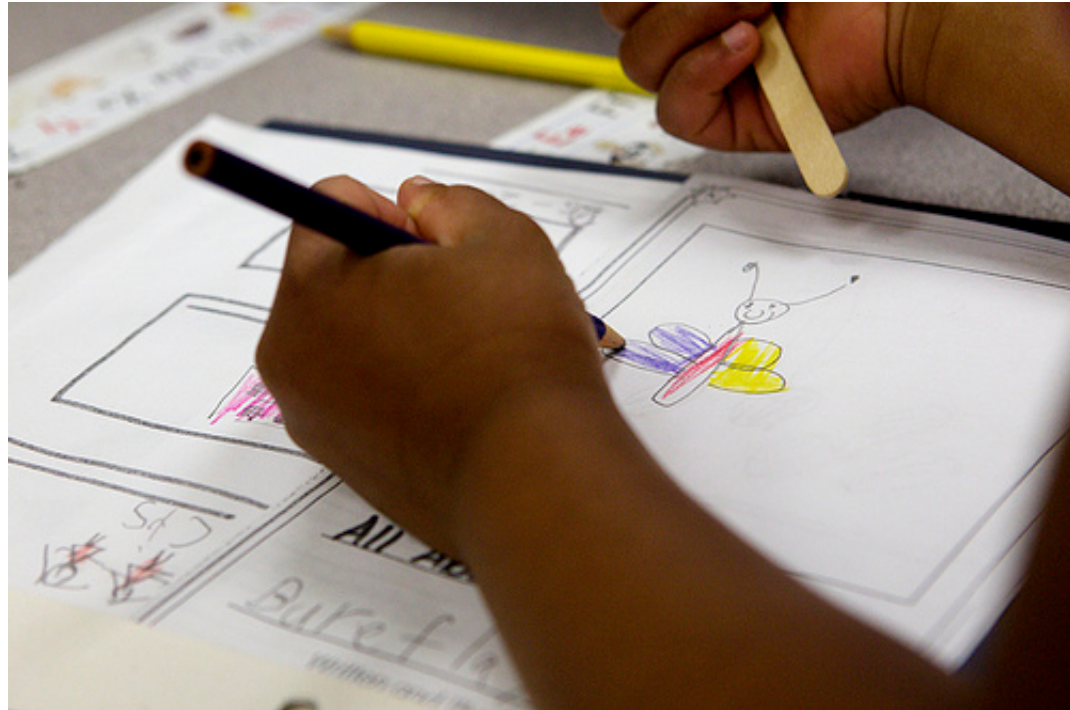

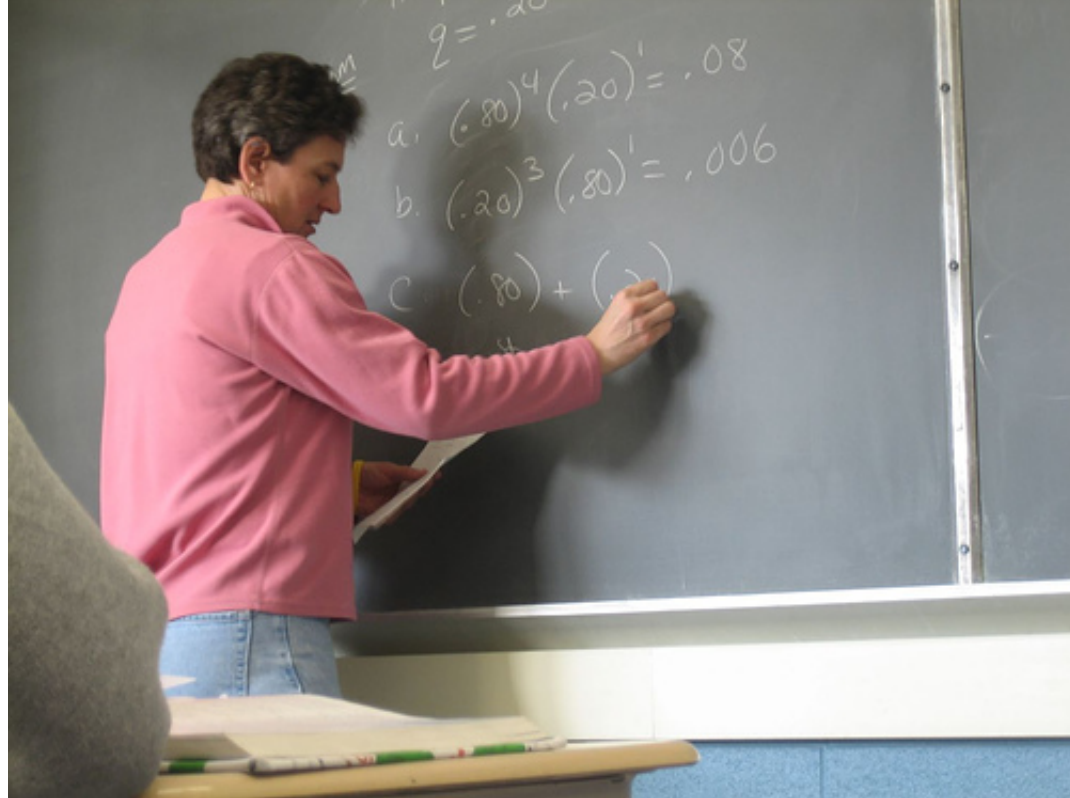

**Teachers use many things to help teach.**

**Teachers use sharp pencils and clean paper to teach students.**

**Students learn to write and draw pretty pictures.**

**Teachers use chalkboards to teach.**

**Teachers write big words so everyone can see.**

**Teachers use thick books.**

**Students read the books and learn at school.**

**Teachers love to teach!**
